"A study of the primitive methods of drilling." By J. D. McGuire 623
"A study of the primitive methods of drilling;" reference to paper by Mr. J. D. McGuire entitled 79
Abangah, name for Mancala in Niam-Niam. 602
Abbott, Dr. C. C., quoted 646
Abbott, Dr. W. L., birds' eggs presented by. 50
determination of crustaceans collected in the Indian Ocean by 61
ethnological collections presented by 78
large collections of birds presented by 48
mammals of Baltistan and the Vale of Kashmir, presented by 45
reference to material collected in Indian Ocean by 62
specimens contributed by 48
title of paper by 181
Aboriginal pottery, preparations for transfer of 80
transferred to department of prehistoric anthropology 31
Aborigines of North America, plants used for economic purposes by 69
Accessions, number of, received during the year 85
since 1881, tabulated statement of 23
to the National Museum, 1894, list of 108
Act of Congress, 1846, regarding scope of the Museum 12
Additional Museum building 43
Adjito 601
Adler, Cyrus, librarian 33
titles of papers by 181
Administrative bureaus, review of the 83
staff 92
Africa, accessions from 147
specimens sent for identification from 179
the swastika in 833
West Central, reference to collections of J. H. Camp in 62

Page.

African national game, Mancala 601
Aglaspis, donation of cretaceous specimens of 64
Agricultural College and School of Science, Pullman, casts of stone implements sent to 81
Agriculture, Department of, accessions from the 30
Albatross, determination of marine forms collected in 1893 by 61
explorations of the steamer 59
Aldabra Island, reference to paper describing nests and eggs from 51
Aldrich, T. H., title of paper by 181
Algeria, Torus of column, with swastikas, in 838
Allen, Dr. Harrison, material lent to 36, 46
title of bulletin by 181
Allen, Dr. J. A., material lent to 46
South American birds lent to 37
specimens lent to 36
title of paper by 181
type specimen of *Arvicola edax* lent to 36
American aboriginal pottery, accessions to the collection of 80
entries in the catalogue of 80
section of 80
American Historical Association, reference to address before the 19
American Institute of Mining Engineers, collection of the 10
American Ornithologists' Union, reference to sixth supplement to check list of North American birds 181
American Ornithologists' Union, specimens transmitted for examination by a committee of the 37
Ancey, C. F., exchange with 27
Andree, Dr. Richard, on Mancala 604
Andrews, Henry W., United States consul, Hankow 29
Anomuran crabs, Mr. Benedict continues studies of 61
Anthony, A. W., material lent to 37
presents reptiles 51
Anthropological and geological societies, Saturday lectures under auspices of 43
